HELP-TO-SELL TOOLS

Bison provides maximum Point of Sale support to her trade partners. In marketing terms: we help you to sell Bison products.

CATEGORY APPROACH

Our category approach is based on three pillars:

- ▶ Complete shelf presentations
 - Right assortment
 - Logic lay-out / planograms
- ▶ Optimization cross selling locations (decentral placements)
 - Adhesive/sealant next to application material
 - No forgotten purchases
- ▶ Promotions
 - On-pack promo's
 - Displays / pos material
 - Promo-Gifts

IN-STORE VISIBILITY!

Bison concentrates on strong in-store visibility because 70% of the consumer purchase decisions are taken on the shop floor. Excellent presentation and communication tools are available. We have very effective metal racks, floor and counter displays, trade brochures, consumer leaflets, glue computers, glue guides and promo-gifts ready for you to order. To give end-users ideas how to use Bison products, we have developed unique "Tell and Sell" displays and demostrips, that show a large variety of applications for the highly versatile products like Montagekit® and Poly Max®.

EDUCATION

For the education of both retailers and end-users we offer practical trainings. Through the online Bison brandportal technical and safety datasheets are available.

Summarizing: the Bison marketing approach will result in higher sales and more profitable business.
